

Our Focus is to provide our local community with a facility designed to meet its growing needs.

Sundew Day Surgery is a new private day surgery that has been purpose built for short stay surgery, providing a warm and welcoming environment with experienced and dedicated staff who understand how to make patients feel relaxed and comfortable throughout their stay with us.

Sundew Day Surgery offers excellent surgical facilities with state-of-the-art equipment enabling our surgeons to perform at their best, ensuring the best possible outcomes for our patients. As part of Nexus, our broader private hospital group is dedicated to delivering best practice models of patient care, influencing positive change in the broader healthcare market. We measure our success through better patient outcomes, improved patient experience, open collaboration with our stakeholders, and more efficient use of the healthcare system's limited resources.

Sundew Day Surgery

Because patients are the reason we exist.

Our Focus is to provide the local community with access to a world class hospital.

Welcome to Sundew Day Surgery

Sundew Day Surgery is a modern state-of-the-art facility designed to meet the growing needs of the Joondalup Community. Our culturally diverse and experienced hospital team work closely with our specialists to promote and improve health outcomes, always striving to deliver exceptional patient care through respect, collaboration, innovation and our commitment to excellence.

Our purpose-built accredited and licenced Class A facility is equipped with the latest available technology, creating an environment in which our specialists can perform cutting-edge surgical specialties including:

- Gastroenterology
- Ophthalmology
- Dermatology
- MOHS surgery
- Minor General and Orthopaedics
- Plastic and Reconstructive
- Dental, Oral & Maxillofacial

Our facilities:

Established in 2019, Sundew Day Surgery is conveniently located in the heart of Joondalup. Our excellent facilities include:

- Three technologically-advanced operating theatres.
- Seven twenty-three-hour beds.
- Day surgery recovery room.
- Refractive laser suite.
- Pathology collection and laboratory onsite
- Onsite specialist consulting suite
- Comfortable pre-operative and recovery lounge
- Off-street parking with lift access available
- State of the art sterilisation equipment.

Why choose Sundew Day Surgery?

When you operate at Sundew Day Surgery, you'll have a committed partner working with you to develop safe and evidence-based models of care tailored to your patients' needs. We focus on servicing a key group of surgical specialties and work with our surgeons, anaesthetists and nursing staff to ensure the highest level of care for all patients.

Supporting your practice

Our goal is to ensure every aspect of your practice management and patient care is seamless. We will work with your practice manager to ensure our processes can be integrated into their workflows, configuring operating sessions to suit your needs if at all possible.

Operate with us

If you're interested in operating at Sundew Day Surgery, please contact the Director of Nursing Angie Arnold on 08 6118 6371 or by email at admin@sundewdaysurgery.com.au We would be delighted to arrange a tour of our hospital, and discuss potential operating sessions with you. Once you have settled on appropriate operating times, we will send you a **VMO Credentialing Application form**.
